

Enjoy the simple pleasures.

Earn points on your purchases, redeem them later for rewards.

Nothing compares to the convenience of being able to make the purchases you need — anywhere in the world or online — without worrying about being overdrawn or being at the mercy of store financing. The key to making smart credit card choices is to understand the power of buying with credit while never losing sight of your financial responsibility to yourself and your future.

At Allegacy, we are here to help you make smart financial choices. With rising credit card interest rates and long terms and conditions, most credit cards aren't designed with the cardholder's best interests in mind. But they are at Allegacy. We've partnered with Visa® to bring credit card options that let you enjoy the conveniences of credit while still doing right for your financial wellbeing.

IF YOU WANT TO EARN GREAT REWARDS...

If you're going to be spending money on gas, groceries and other day-to-day expenses, you might as well be rewarded for it, right? The **Allegacy Visa® Signature Rewards Credit Card** is perfect for members who enjoy earning points redeemable for cash, merchandise, and once-in-a-lifetime experiences.

Saves you money on interest and fees such as no annual fee, low Cash Advance fee, and a low (and sometimes no) balance transfer fee. Visit Allegacy.org - offers vary. Enjoy special events with no limit to how many rewards you can redeem. Earn 1.5 points for every dollar you spend + point redemption can start with as little as 2,500 points.

Spend more, earn more bonus points by hitting milestones. Earn 10,000 bonus points if you spend \$1,000 within 90 days of opening your account and an additional 5,000 bonus points if you spend \$50,000 or more annually.

Feel prepared for the unexpected with special Signature cardholder benefits such as cell phone protection, travel and emergency assistant services, travel accident and baggage delay insurance, in addition to the standard Visa® benefits. Visit Allegacy.org/disclosures/ for additional details about these benefits.

be your best you.

Rewards that let you choose.

At Allegacy, we are committed to consistently delivering great service with simplicity and convenience. We value each member relationship and always look for opportunities to give back to you. Through our exclusive CUREwards® program, by using your Allegacy Visa® Signature Rewards Credit Card we can do both.

HOW YOU EARN POINTS.

You earn points for every dollar you spend using your Allegacy Visa® Signature Rewards Credit Card. This includes purchases made online, in an app or at a merchant (*net purchase transactions only – purchase less credits, returns and adjustments*).

You can also earn points even faster in the CUREwards® Mall. This enhancement program allows you to earn Mall points by shopping at your favorite brand-name retailers who are participants in the Mall network. Rotating banners relevant to you and your spending preferences will be shown with special offers for discounts or bonus points. These bonus points can be up to 10 points for every dollar spent at these stores!

HOW TO REDEEM YOUR POINTS.

With the CUREwards® program, the possibilities of point redemption are easy and endless. Simply redeem your points for cash and premium merchandise. Keep in mind though that the more points you save, the greater the rewards.

In staying true to the credit union's philosophy of "people helping people," CUREwards® allows you to use your points to donate to causes near and dear to your heart.
