Feature Money Market: Account Dividend Rate Details

The dividend rates and yields for this account are set as follows. This is a variable rate account type and rates may change at any time without prior notice.

Feature Money Market Rate Schedule

	Account Balance	Dividend Rate	APY
Tier 1	Up to \$250,000.00*	3.397%	3.45%
Tier 2	\$250,000.01 and above*	0.15%	0.15%

APY figures are approximate, based on stated dividend rates, and assume dividends compound. Withdrawal of dividends will reduce your earnings.

**This is a segmented rate product. The portion of the balance in Tier 1 earns the Tier 1 dividend rate, and the portion of the balance in Tier 2 (if applicable) earns the Tier 2 dividend rate.*
